If the Board decides to consider you for membership, one or more members of the Board will meet with you for an informal interview. You would then be notified as to whether you were accepted or not, and, if so, placed on the waiting list for studios.

When a unit becomes available and you are the next in line, our management company will perform a confidential check on your credit to make sure you can meet the required financial obligations.

If you wish to be notified that your application has been received, please enclose a stamped, self-addressed postcard or envelope. If you wish to have your materials returned in the event your application is declined, please enclose a stamped, self-addressed mailer.
